The Office of Emergency Medical Services is located in the upper basement of the James Madison building at 109 Governor Street in downtown Richmond. The James Madison building—a sandstone high rise building with green tinted windows—sits at the corner of Bank Street and Governor Street.

- Turn left onto Bank St.
- The Madison Building is on the corner of Bank St. and Governor St.

Maps of downtown Richmond can be found at the end of this document under the section on parking.

Entering the Madison Building:

Entry to the Madison Building can only be gained from the entrance on the south side of the building—which faces 14th Street—from the lower basement parking lot entrance. This entrance is marked by a royal blue, vinyl awning.

Please enter the building at this location and check in with the security guard. **It is imperative that you bring a valid ID with you to gain entrance to our building.** You will be required to sign in at this location before entering the building. All other entrances to the Madison Building, including the 1st floor main lobby doors are locked.

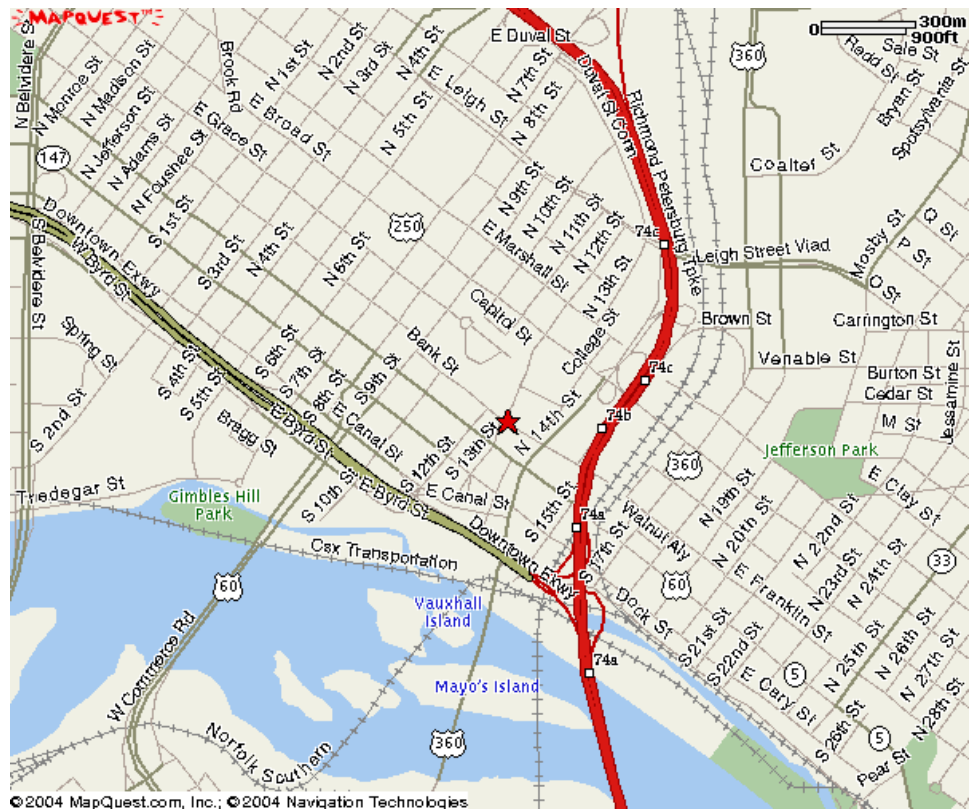

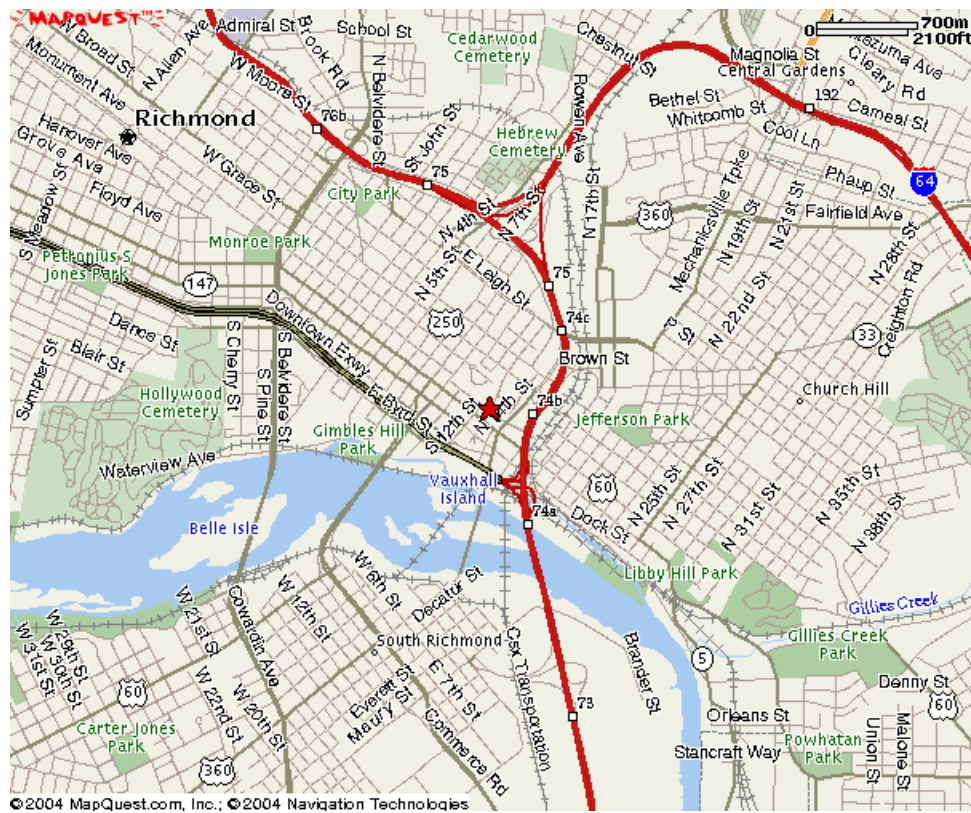

Once you have entered the building, board one of the elevators and take it to the upper basement (UB). Once you have arrived on the upper basement, follow the signs to the Office of EMS Administration area (suite UB-55). Once you have arrived in the OEMS Administrative Offices, you will need to sign in. A member of the Office staff will call me to let me know you are here.

Parking for meetings at the Virginia Office of Emergency Medical Services

There is no parking available at the parking deck located at the Madison Building. There are a few metered parking spots located off 14th and Bank Streets, however they are typically taken early in the day.

There are various parking decks/lots located throughout the area which accommodate parking by the hour and by the day. Typically one can find parking within a 3 to 4 block radius to the south and/or west of the Madison Building. A parking map and parking lot fee schedule is included below.
